LEARN PROGRAM HOMEWORK POLICY

The goal of the LEARN Program is to offer diverse, high quality programs that promote leadership and youth development through enrichment activities, unique experiences, and opportunities to develop relationships with adults and peers. It is our philosophy that staff is not to take on the role of “parent” in their involvement with Homework Help. We believe that parents, busy as they may be, have the ultimate responsibility to be actively involved in their child’s education. Extensive research has shown that students achieve more in school when their parents are involved in their education.

Our after-school program will provide time and opportunity for students to work on their homework Monday - Thursday, but youth will not necessarily have completed it before going home. It is up to the initiative of the child to work on their homework. Staff will not “police” youth’s honesty related to whether they have homework or not. In addition, children may choose to work on their homework during choice time activities, but will not be “forced” to complete their homework. Only during the 20-minute snack time, do we ask that your child refrain from working on any homework in order to experience social interaction with their group.

What LEARN commits to:

- * Communicate with families and teachers about youth’s homework assignments and progress * Offer guidance when youth are “stuck”
- * Encourage good work habits
- * Remove disruptive influences
- * Help youth stay focused and on task

What LEARN cannot commit to:

- * Providing one-on-one tutoring
- * Ensuring youth *complete* homework daily
- * Forcing youth to do their work
- * Grading or correcting homework assignments
- * Disciplining youth for not completing work to family’s or teacher’s satisfaction * Taking on the role of parent in the youth’s education

LEARN expectations of youth:

- * Come prepared with homework and assignments
- * Be honest about homework assignments
- * Be considerate by working quietly
- * Only ask for help after trying to complete work on his/her own

LEARN expectations of parents/guardians:

- * Review and discuss homework with your child daily
- * Check child’s book bag daily
- * Encourage your child to display considerate, cooperative behavior
- * Communicate with LEARN about youth’s homework and progress in school
- * Support LEARN staff and policies

I have read and understand LEARN’s Homework Policy.
